MELANEL CONSULTING

Discover | Diagnose | Design

How Melanel Delivers Every Engagement

A five-phase approach from understanding your challenge to measuring your impact.

MELANEL CONSULTING

Our Approach

One Approach, Every Engagement

- Whatever the assignment, we follow the same five phases.
- Each phase has a clear purpose, so you always know where the work stands.

Discover. Diagnose. Design. Deliver. Demonstrate impact.

MELANEL CONSULTING

Phases 1 and 2

Discover and Diagnose

- **Discover:** we understand your objectives, risks, stakeholders and operating context
- **Diagnose:** assessments, gap analyses, research and evidence gathering

> **The result:** a shared, evidence-based view of the problem.

MELANEL CONSULTING

Phase 3

Design the Solution

- **Strategies** and frameworks
- **Policies** and dashboards
- **Implementation plans**

The result: practical tools built around your context.

MELANEL CONSULTING

Phase 4

Deliver With You

- **Support implementation**
- **Build internal capability**
- **Provide advisory support**

> Capability that stays with your team after we leave.

MELANEL CONSULTING

Phase 5

Demonstrate Impact

- **Monitoring** and evaluation
- **Reporting** on results
- **Continuous improvement**

The result: measured results, not just completed activities.

MELANEL CONSULTING

Work With Us

Let’s Work Together

Start with a conversation:

- **Share** your challenge
- **Agree** the scope and approach
- **Track** results together
